Career Objective

Motivated and detail-oriented B.Tech Computer Science student specializing in Cyber Security with strong interest in database management, AI-driven analytics, and public safety technologies. Seeking an internship opportunity with Hyderabad Police to apply analytical, technical, and problem-solving skills in areas such as data analysis, structured database development, and cyber security while gaining practical exposure to real-world law enforcement systems.

Education

SRM Institute of Science and Technology, Tiruchirappalli 2023 – 2027

B.Tech in Computer Science Engineering (Cyber Security)

CGPA: 8.46

Intermediate (Class XII) 2023

Percentage: 97.3%

Secondary Education (Class X) 2021

Percentage: 71.2%

Technical Skills

- **Programming Languages:** Python, C, SQL
- **Core Concepts:** Data Structures & Algorithms, OOPs, DBMS
- **Data Analytics Tools:** Excel, Power BI, Tableau
- **Cyber Security:** Basic Network Security, CTF Participation
- **Tools & Platforms:** GitHub, Canva

Academic Projects

Student Record Management System

Developed a database-driven application using Python and SQL for storing, updating, and retrieving student information efficiently through CRUD operations and structured data handling.

Sales Data Analysis Dashboard

Created an interactive dashboard using Power BI and Excel to visualize sales trends, customer insights, and performance reports through charts and analytical reporting.

Library Management System

Designed a mini-project using SQL and Python to manage book inventory, issue-return records, and user details with efficient database querying and maintenance.

Basic Network Port Scanner

Built a beginner-level cyber security project in Python to scan and identify open network ports for educational and learning purposes.

Certifications

- Coursera – Data Structures & Algorithms
- Coursera – Introduction to Artificial Intelligence
- Coursera – Design and Analysis of Algorithms

Achievements & Activities

- Participated in Cyber Security CTF (Capture The Flag) events
- Participated in football tournaments during schooling
- Participated in basketball tournaments during B.Tech

Languages

English, Telugu, Hindi, Tamil
